**WASTEWATER REPORT:** Sherry Roeder gave the wastewater report (see attached report). Connie made a motion that we move forward with the UV system for the south plant; Robert seconded the motion. All were in favor and the motion passed.

**STRUCTURE ENGINEER FOR 416 MAIN ST:** We are waiting on the engineer's report before we can proceed with this.

**PROPERTY CLEANUP:** Mary Alvey appeared before the board regarding a problem she is having with bugs at her residence located at 829 N Lincoln Ave, Lot #27, in Rockport. She also had a complaint about water standing in a ditch at the trailer park.

**OUTSIDE TAP ON FEES (SEWER) AGREEMENT:** The tap on agreement for The Rustic was signed by the board members.

**OLD BUSINESS:** Robert Feurbach appeared before the board to see if we had any information regarding the structural report. We have not received that report at this time.

**NEW BUSINESS:** Landmark Bible Church would like to have a 5K run/walk for a fundraiser on June 29, 2013. He was told to get with the Chief to get a map for the route to use for their run/walk. Connie and Robert are okay with them doing that as long as it doesn't interfere with the parade scheduled for that day.

The chief is requesting permission to purchase individual cell phones for his department. This would be through Verizon because ATT does not have very good service in Rockport. It will be a cost of approximately \$5,000 per year and he would need \$2,500 for the remaining of 2013. Robert made a motion to move this to the council for their approval. Connie seconded the motion. All were in favor and this will be presented to the council for their approval.

**ADJUSTMENTS:** Adjustments were approved.

**ADJOURNMENT:** Connie made a motion to adjourn; Robert seconded. All were in favor and the meeting was adjourned.
